

I'll Be Home for Christmas

August, 2010,
 nine year old Stephen McPhee changed the life of a little boy forever with two simple pairs of running shoes for school. Stephen learned through a letter from the boy's Mom that this little boy slept in one pair of shoes and put the other under his pillow. The

little boy had never owned new shoes and this was indeed his new found treasure. Stephen also learned that this little boy and his family would be moving into a new apartment soon.

Stephen's dream this year is to provide the little boy with his own bed, new furniture for his apartment, bedding, a full kitchen set up, clothes, coats, boots, a Christmas tee, stockings and toys. This will be a total Christmas surprise and blessing for this family. Stephen needs your help! Donations can be mailed to Stephen's Backpacks, The UPS Store, 777-203 Main Square, Airdrie, AB, T4B 3C3 or PayPal at www.stephensbackpacks.com. Please bring Stephen's little shoe boy home for Christmas!

For five years now Stephen has touched the hearts of over 10,000 children in need across Alberta, through his **Footprints New Running Shoe** program and his **Christmas Backpacks**. He has helped two families move off of the street with all the proceeds from his book Dream out Loud.

This year Stephen's dream is to fill even more backpacks than last year (2025) and help Stephen's little shoe boy move off of the street. Stephen needs your help! Donations can be mailed to Stephen's Backpacks The UPS Store 777-203 304 Main Square Airdrie AB T4B 3C3 or PayPal at www.stephensbackpacks.com
